Detour – Road Closure Surcharge

Due to the flood water and road closure situation on the Trans Canada Highway #1 by Maple Creek SK, we are experiencing Detour Miles for our LTL and TL schedules that travel between Calgary and Regina.

Surcharges will be applied as per below:

FTL

- *\$75 surcharge per load on all re-routed loads, effective June 21st 2010.*

LTL

- *\$20 surcharge per shipment on all re-routed shipments, effective June 21st 2010.*

The surcharge will only apply to shipments that are normally routed via this highway. I.e. between southern BC/ southern AB points and southern SK/MB/ON/NB/NF/PE/NS.

Thank you in advance for your understanding on this matter.

Management
